Showcasing SVSS Reception Volunteers

Marie

"Retirement meant it was time for me to offer my services to organizations where I could make a difference in other people's lives. Little did I realize how good it made me feel to help others live a better life because we CARED."

Gulvinder

"Supporting the community is what I enjoy about being with SVSS"

Danielle

GENERAL INFO

HOW MUCH DOES IT COST TO CREATE A WILL?

In BC, will-making kits can be purchased for as little as \$35. Notaries and lawyers typically charge between \$300 - \$2,000, depending on the circumstances of your will. There are also free will-making resources available online, such as through MyLawBC.

CAN MY WILL BE CHANGED AFTER I DIE?

If your will does not properly provide for your spouse or children, they can ask a court to vary it. The outcome of this claim will depend on a number of things, including evidence of your relationship with the person who is challenging the will.

Boredom

Did You Know?

On October 31 the moon will be located on the opposite side of the earth as the sun, and its face will be fully illuminated. This phase occurs at 14:51 (Coordinated Universal Time). Since this is the second full moon in the same month, it is sometimes referred to as a "blue moon". This rare calendar event occurs every few months, giving rise to the term, "once in a blue moon."

The Lighter Side

A grasshopper walks into a bar. The bartender says, "Hey, did you know we have a drink named after you?"

The grasshopper looks at the bartender and says, "You have a drink named Jasper?"

Grocery Shopping Bus Program

"The shopping bus is a way to help seniors with their shopping and make new friends"

I am Janet Kirkpatrick, the owner/operator of Coastal Companion and my 20 passenger wheelchair accessible bus. My little company primarily takes seniors in care homes and other facilities on scenic tours around Greater Victoria. In addition to this, I pick up seniors from their homes, or another meeting place, and take them to shopping centres. I enjoy the friendships that develop out of my business as we tour around and share this beautiful area we are fortunate to live in.

I have been part of the shopping bus since the beginning and meeting these folks has so wonderfully enriched my life. The friendships made and the stories shared over coffee after shopping have been a highlight for everyone involved.

—Sue, Volunteer

The shopping bus gives back to seniors and is a joy to everyone!

— Antoinette, volunteer

I have been a volunteer with Saanich Volunteers for 15 years. One day they asked me if I would like to join the Shopping Bus and help the seniors with whatever they need. Around 2017 I had my first ride on the bus and what a wonderful experience. I have met so many clients as well as two other volunteers [Sue & Antoinette].

We pick up the clients on a bus run and then to Walmart where Sue, Antoinette and I assist the clients. After our shopping is done, we meet at McDonalds in the store. This is the time to chat with these wonderful people. This Christmas we went on a run to see all the wonderful decorations and then stop for a coffee or whatever they like. Oh yes, I got them singing Christmas carols. We have created long friendships with all, and I love it.

When the day is over, I go home with a big smile and I wish we could do it more often.

–Mary, Volunteer

"The SVSS shopping bus excursion is the highlight of the week for us. Not only do we get the weekly shopping done, with all the help we need, we also get to know like-minded people. To meet others is extremely important for every one's mental well-being. We look forward to our weekly adventure, combining pleasure with the necessities of life." - Sven Erik, Client

Celebrating Seniors

Celebrating Volunteers

This year we created a calendar of portraits to celebrate our milestone volunteers, like Leigh, who has been volunteering with SVSS for 25 years! Copies of the 2021 calendar can be purchased by donation to SVSS.

Leigh does income tax. If you need to get your income tax done call (250) 595 8008

About The Editor

Hi! I'm Bethea. I have been working with Saanich Volunteers since the spring and I absolutely love everybody here. When I'm not with SVSS I'm surfing, climbing, creating music, or working on freelance marketing projects: making videos, taking pictures, doing graphic design, and setting up social media campaigns (www.baetli.com).

One of my favourite projects this year was taking portraits of the milestone volunteers for the SVSS calendar. It was a joy to meet everybody and capture so many warm faces. As a shy-ish person I cannot tell you how rewarding it is to have the opportunity to get to know people one-on-one and create something beautiful from that interaction. Some of the stories had me in tears.

I am extremely grateful to SVSS, not only for employing me through the pandemic, but also for creating a positive work environment that I look forward to coming to. I really believe in the good work that everyone at SVSS does and can see the difference it makes in our community. It is an honour to be part of it and I thank you for welcoming me.
